Mercer

by Acero

KIWI EXCELLENCE IN KITCHEN, BATHROOM AND COMMERCIAL INTERIOR PRODUCTS.

Acero leads the way with its iconic NZ-made Mercer stainless steel products supported by a range of on-trend imported tapware, sink accessories and commercial washroom products.

We are proud to manufacture and distribute a range of market-leading commercial products from our Christchurch site.

Our traditional methods combined with modern technology mean we continue to craft and source premium products that we are proud to put our name behind.

Acero Stainless Steel Benches

Acero™

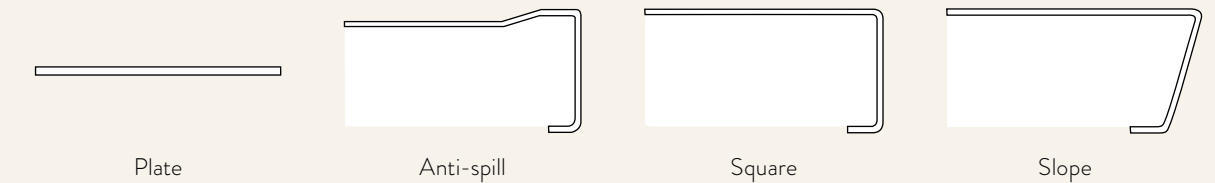

Standard sizes or custom-made to your needs.

Acero are leaders in the fabrication of custom stainless steel benches.

Stainless steel allows you to create a bench that is durable and hygienic while maintaining a timeless and classic style. Whether it's a kitchen benchtop or a custom commercial project, our experience and first rate craftsmanship means that we can help bring your vision to life.

Acero Stainless Steel Benches are New Zealand made using 1.2mm thick 304 grade stainless steel for fabrication or 6mm for plate benches. For applications that require extra corrosion protection, 316 grade stainless steel is available on request.

1. Choose your profile

2. Choose your substrate thickness

3. Choose your finish

Note, the Satin finish is the same as the Mercer DV Series sink range.

4. Choose your sink

If your bench design includes a Mercer sink, it may be welded in during installation. This is indicated at the front of each sinkware range with the 'Weld In' icon.

Contact our customer services team for more information and quotes.

Custom-made
to your needs

Mercer
by Acero

WARRANTY

Mercer by Acero offers a limited warranty on all Mercer and Acero products. All terms of the warranty are subject to conditions outlined in the full warranty which can be found on our website at acero.co.nz.

Acero offer a 10 year warranty on all stainless steel material when installed in a commercial environment. All other products including accessories, workmanship, tapware, parts and appliances come with a one year warranty. As our policy is one of continual improvement, we reserve the right to alter specifications without notice. While all care has been taken to ensure the specifications and dimensions are correct within this catalogue, we recommend using the actual product as a template to ensure a smooth installation process.

Product Range	Warranty
Stainless Steel Products	25 Year Limited Warranty - Residential & Commercial
Taps / Mixers	5 Year Limited Warranty
Cartridge for Taps	2 Year Limited Warranty
Parts & Accessories	1 Year Limited Warranty
