CUSTOM FABRICATION TERMS AND CONDITIONS:

A drawing must be provided with the Custom Fabrication form. The customer has final responsibility to proof and examine all drawings, specifications for accuracy and correctness. The Customer's signature on drawings & specification shall constitute a waiver against any and all claims arising out of such error.

Changes requested on drawings and specification after the final drawings and specifications have been approved by Customer signature will incur additional charges, any changes will require an amended drawing. Where the item has already gone into production it may not be possible to make changes. Acero will not receive back for credit any custom fabricated goods.

By signing this document, I have read and accept the above conditions of the sale including pricing and agree to the production of the custom item as per specifications provided. I acknowledge that all specification requirements are correct.

Production will not commence until this form has been completed, signed and returned to Acero Ltd
